## Love is a Verb!

... or so the classic dc Talk song goes, but what does that really mean?

Join us as we explore our experiences of love and how the way we love ourselves and others impacts on our wider community. Providing us food for thought over the week we have some exciting guest speakers lined up:

Dr Yvonne Bentham, a former director of Lutheran Community Care who has extensive experience in working with families and young couples.

Rev Dr Stephen Haar, a lecturer in the New Testament at Australian Lutheran College, and

Jonathan Krause, the current Communications Manager for Australian Lutheran World Service who has over 20 years experience in working for such groups as World Vision and Care Australia.

So come with an open mind and heart and engage in some enlightening discussions with students from across Australia as we ring in the new year. Plus there are all the usual things you've come to expect (the beach, 500 Tournament, the Great Debate, and Commando style 'Storm the Lantern') which make LSF National Conference the most fun you'll have this summer.

## Who is LSF?

LSF (or Lutheran Students & Friends) is part of the wider community of Lutheran Youth, who are tertiary aged. Our ministry in SA is in supporting tertiary students at all campuses and uni's across the state.

We regularly meet in small groups on campus, worship at a combined student service once a month, provide monthly forums for Christian discussion, camps and social gatherings.
